

▶ High Performance Web Blanket

▶ FIT WEB OVERVIEW

Outstanding Durability and Long Life

Using specially formulated “anti-swell” surface compounds and a robust “low-sink” carcass, the FIT WEB provides a high level of durability and endurance to ensure trouble free production and long life.

▶ PRODUCT FEATURES

- Outstanding half-tone and solid printing
- Minimum gauge loss and consistent paper feed
- Improved web release (less web flutter)
- Excellent ink transfer (reduced start-up waste)
- Unique “instant recovery” compressible layer
- Reduced adhesion of paper dust

▶ TECHNICAL SPECS

Type	Heatset Web
Nominal Thickness	1.70mm/ 1.96mm
Color	Blue
Roughness	7.0 μ m
Hardness	82 Shore A
